

Trianz's Analytics & Information Management Practice

We bring **3 Essential Benefits** to our clients to ensure effective top management strategic decisions:

Operational Efficiencies

Measurable Impact

Predictable Results

Leverage proven and repeatable processes & quality assurance measures to maximize ROI and reduce TCO. Our solutions provide:

- Easy-to-use interfaces that allow for the simple blending of data
- Prebuilt data integrations that natively process all types of data, at any scale, through crowd-sourced tagging and sharing
- Tracking of data movement and transformations across all systems
- Machine intelligence to identify sensitive data for compliance
- Rapid automation into re-usable workflows
- Collaboration in the data curation processes
- Ability to record and save manual steps as reusable recipes that generate automatic mapping

About Trianz

Trianz enables digital transformations through effective strategies and excellence in execution. Collaborating with business and technology leaders, we help formulate and execute operational strategies to achieve intended business outcomes by bringing the best of consulting, technology experiences and execution models. Powered by knowledge, research, and perspectives, we serve *Fortune* 1000 and emerging organizations across industries and geographies to transform their business ecosystems and achieve superior performance by leveraging Cloud, Digital, Analytics and Security paradigms. As a professional services firm, our values and culture are focused on delivering measurable business impact, predictability in execution, and a unique partnership experience.
